School Elections To Be June 8th

The annual election for two trustees for Grayling School District Number One will be held Monday, June 8th, 1964, in the high school gym. The polls will be open from 7:00 o'clock a. m. and remain open until 8:00 o'clock p. m.

Candidates will be running for four year terms which will expire June 30th, 1968. The terms of Dr. B. E. Henig and James Baker are expiring.

Each candidate filing for nomination must be a citizen of the United States, above 21 years of age, must have been a resident of Michigan for six months and of the district for 30 days previous to said election day. He or she must own property assessed for taxes in his or her own right. Due to the illness of board secretary Bill Joseph, petitions may be obtained from Mrs. Robert Strong at the Avalanche office. These petitions must be filed with the board secretary not later than 4 p. m. on the 30th day prior to the date of the election, namely May 8th. Each petition shall be signed by not less than 50 registered school electors of the district. No elector shall sign the petition for more candidates than are to be elected. One has to be a registered voter only, not a taxpayer to be eligible to sign a petition or vote for a trustee. The petitions must be signed by the circulator in the presence of a notary public before being turned over to the board secretary.

The Frederic school will hold their annual school election the same day as Grayling under the same rules and regulations. Only one trustee is to be elected at Frederic, however, as the term of Arthur Mayer is expiring. Petitions for filing to run for the post of trustee on the Frederic board, may be obtained by contacting the Frederic board secretary Harold T. Johnson.

Program Honors Fred B. Bear

Fred B. Bear, president of the Bear Archery Company of Grayling was honored guest last Thursday evening on the television program, "Michigan Outdoors". Mr. Bear was interviewed by host, Mort Neff.

Segments of the tiger hunt and Kodiak bear hunt were shown on the program. Later in the program, Mr. Bear was presented with a beautiful plaque and two oil paintings, one depicting a scene from each hunt movie. The archery coverage took up nearly the entire program.

Canoe Camp Charcoal Grill Is Stolen

A quite expensive charcoal grill which was located in the camp ground at the Forestry Headquarters on the AuSable River, east of Grayling has been stolen, it was reported to the Avalanche by Ralph King, district forester.

Continued vandalism costs the taxpayers money and leads to a cutback in what can be offered the public in the state's camp grounds and parks, it was pointed out. The grill, supported waist-high on a pipe, was unbolted from the pipe and spirited away. It is not known if the thieves came by car or canoe to the area.

Reminder

Don't forget the Big Sports Car Races to be once again held in Grayling. Time: Saturday and Sunday, May 23 and 24. Reserve some time that weekend to spend at the Airport watching these exciting events.

OUTLOOK FOR TROUT OPENER

Good Prospects Are Apparent For The Angler This Saturday

Average to better-than-usual prospects are in store for fishermen when the regular trout season opens, April 25.

Conservation Department field men report that streams in the northern Lower Peninsula should be much to the liking of anglers on opening day—warm, clear, and lower than normal.

The April 25 outlook is generally good for waters in the southern Lower Peninsula where some 130,000 legal trout were planted by the Department this spring. Many of the fish went into

streams, a few into outstanding lakes.

Above the Straits, the Department has stocked waters in Alger, Delta, and Marquette counties with matches. The high winds caused the fire to spread very fast, and the prompt action of the City Department held it to only two acres. One unit from the Conservation Department and one from the Michigan National Guard at Camp Grayling were also called in, but it was the city's speed and handling that kept the fire small.

The fire near Dam 4 on the North Branch Tuesday of last week was started by a tree falling on a power line. It burned 21 acres on the west side of the river, and because of its location burned into a swamp at the river's edge and slowed enough so the Conservation Department equipment stopped it there. Two units from Grayling, and two from Mio were used, as well as an inmate crew from Camp Lehman. Around ten residents from the Lovells area turned out to assist with hand tools also.

On Saturday afternoon some misguided individual touched off the dump on M-72 west of Grayling in Grayling Township, and one unit of the Conservation Department had to stand by to see that the fire was contained until it burned out. Late Sunday afternoon the same thing occurred at the Training School dump on Military Road south of Fletcher Road, and equipment from Grayling and Roscommon was used to confine this blaze. Rains on the weekend cut down on the extreme dryness, but fire danger will not abate until vegetation is generally well developed.

The City Fire Department was called upon to extinguish a grass fire April 15th at the Art Lozon home, started by children in the trash burner around 5 o'clock. The fire spread to the surrounding area and burned about an acre before being controlled by the Department.

CITY MANAGER'S NOTES

Last January, the United States Government gave to the City of Grayling two money grants; one to aid in the remodeling of the old light plant building into a modern City Hall; and one to update our sanitary sewer system. As soon as word was received by the City that these grants were allowed, the City Council and your Manager got busy, "very busy" to complete the paper work and plans to put these projects into effect. First, the engineering firm which was to design these two jobs was notified. Then the Housing and Home Finance Agency in Chicago that Grayling would accept the grants. Now, after many letters, telephone calls, and a good many forms, the bids for these projects are ready for advertising. These bids will be opened at the City Hall May 18th at 4:00 P. M., and work must start not later than May 29th. Our City Hall should be ready to occupy not later than October 1st. The sanitary sewer project should not take as long to complete. More will be written on these two projects as they progress.

Four Fires Hit County

The Grayling Fire Department was called out at 4:20 Friday afternoon to put out a grass fire started behind the Elmwood Cemetery chapel by children playing with matches. The high winds caused the fire to spread very fast, and the prompt action of the City Department held it to only two acres. One unit from the Conservation Department and one from the Michigan National Guard at Camp Grayling were also called in, but it was the city's speed and handling that kept the fire small.

Grayling Woman To Visit Official Washington

One Grayling woman will spend May Day visiting and lunching with her Democratic Senators and Congressmen on Capitol Hill.

Mrs. Bud Gould is among 100 Michigan delegates to the 1964 Campaign Conference for Democratic Women scheduled from April 30 through May 2.

A first-time event for both the Congressmen and the Democratic women, the morning's program is being co-chaired by Mrs. Claiborne Pell, wife of the Senator from Rhode Island, and Mrs. Hale Boggs, wife of the Majority Whip of the House of Representatives.

The Conference delegates will leave the Sheraton-Park Hotel, where most of the three-day conference program will be held, by chartered bus at 8:45, Friday morning, May 1st. Democratic Congressional wives will serve as hostesses on each bus.

Upon arrival on Capitol Hill, the Democratic women will be given a private tour of the Senate and the House chambers and then will break up by states or regions for an hour's discussion period with their Congressmen and Senators.

The May Day theme will be carried out at the buffet luncheon which the legislators will give for the Conference delegates in the courtyard of the Old Senate Office Building. A huge May Pole will be erected in the middle of the courtyard with colorful pastel streamers representing each of the 50 states flowing from it.

The Speaker of the House of Representatives, John W. McCormack of Massachusetts and the Senate Majority Leader, Mike Mansfield of Montana, will be the featured speakers at the luncheon.

On Saturday afternoon, May 2, Mrs. Lyndon B. Johnson will receive Democratic women attending the conference at a White House reception.

President Lyndon B. Johnson will greet the delegates at the opening general session scheduled for 8:30 p.m. Thursday, April 30, at the Sheraton Park Hotel.

Michigan women working in the nation's capital on the event include Mrs. Margaret Price, Vice Chairman of the Democratic National Committee, Mrs. Helen Berthelot, staff member, Communication Workers of America, Mrs. Phillip A. Hart and State Chairman Miss Adelaide Hart. The Michigan women will also be entertained at the homes of former Gov. G. Mennen Williams and Senator Phillip Hart.

Announce Engagement

Mr. and Mrs. Martin Fielstra of 2310 Miner Avenue, Muskegon, announce the engagement of their daughter, Barbara Anne, to Mr. Erwin L. Bancroft, son of Mrs. Doris Bancroft of Grayling and Mr. Norman Bancroft of New York. Both young people are teachers at the Reese High School, Reese, Michigan. A fall wedding is planned.

Grayling Council Sets Clean-Up, Fix-Up Weeks

The City Council has dedicated the last week in April and the first week in May as clean up and fix up week for the citizens of Grayling.

Any junk, such as old cars, brush, or items that people are unable to haul away, will be picked up by the City's crew. Pick up will be Monday, May 4th, and Monday, May 11th — two days only. All loose items must be in containers. Containers will not be returned.

Grayling is growing — moving forward. Our new school, new sewage treatment plant, new city hall (which will be ready this fall), a new library, an improved and remodeled high school, natural gas, an improved sewer system, and many other items all go to make Grayling a better place to live. So let's all get behind this clean up and fix up project so that we can be proud of our city, so that our visitors will be impressed with our town.

Harold S. Cliff, City Mgr.

Kiwanis Club Notes

Wesley LaGrow

The weekly meeting of the Kiwanis Club of Grayling was held Monday evening at the Chief Shoppenagons Motor Hotel. It was decided at the meeting that the club members would act as guides for the dedication service of the new Interpretive Center developed at the Memorial Building at Hartwick Pines State Park by the parks division of the Conservation Department.

The dedication will be held on Saturday, May 23rd during Michigan Week. An open house will be held from 10 a.m. to 5 p.m. with the dedication services slated for 3 p.m. Further particulars of the program will be announced later.

Two members were inducted into the club at the meeting. Those taken into the club were Leo Rochette and Lester Powers. Past Lt. Gov. Earl Burns was in charge of the induction.

FIRE DEPT. CANOE FLOAT, MAY 3rd

The canoe float being sponsored by the Grayling Fire Department on Sunday, May 3rd, has been suggested as an excellent opportunity for employee groups from various business places or from any organization to make an outing together.

Reservations, which are \$4.00 per canoe float, with free pickup, may be made for groups or individuals by phoning Sandy Thompson, headquarters for the float.

The Fire Department plans to contact business places May 15th for donations to the Fourth of July celebration fund, using the Fire truck to make the calls.

Fire Chief Frank May reports that the Department is also headquarters for a dry chemical type of fire extinguisher, for use in business places and homes, which can be used on any type of fire, either grease, electrical, gasoline or oil. A saving of \$5 is possible if the extinguishers are purchased from the Department. Contact any member for information.

Woman's Club

The Grayling Woman's Club enjoyed a potluck dinner at the clubhouse Monday evening. Hostesses were Mrs. Glen Fenton and Mrs. Melvin Nielson. Mrs. Kenneth Ashton is a new member.

Officers for the coming year are: President, Mrs. Glen Fenton; First Vice-President, Mrs. John Latuszek; Second Vice-President, Mrs. John Ludeman; these ladies all serving unexpired terms. Elected for two-year terms were Corresponding Secretary Mrs. Art Carlson; Treasurer, Mrs. Alex Bailey; and Recording Secretary, Mrs. Thomas Haugh.

After the dinner, served buffet style, the group drove to Camp Grayling, where Mr. Ernest Larson, State storekeeper, conducted a very interesting tour of the main property warehouse. The ladies were amazed at the size and contents thereof.

Meeting To Discuss Riding, Hiking Trail

C. Troy Yoder, Regional Manager of Michigan Department of Conservation, has called a meeting for 7:30 p.m. next Monday, April 27th, at the Higgins Lake Training School located between Grayling and Roscommon to discuss the Michigan Riding and Hiking Trail.

Dedication of the trail, progress of development, need for additional trails, cooperative programs comprise important subjects to be discussed.

Interested groups and public officials are requested to attend this meeting.

Linda Kay Gothro

Victoria Rae McEvers

Grayling Superintendent of schools Joseph Stripe and high school principal Elmer Fenton this week revealed the valedictorian and the salutatorian of the 1964 Grayling High School graduating class. Named as valedictorian is Linda Kay Gothro, the daughter of the Don K. Gothros. Victoria Rae McEvers, daughter of Roy McEvers, was named as the salutatorian.

Linda served as treasurer of her class during her freshman year and as president during her sophomore year. She was vice president of the National Honors Society during both her junior and senior years. She was named as the alternate exchange student to Germany last summer. She attended Wolverine Girls State last year.

Linda was a member of the F. H. A. for one year and sang in the Grayling High Glee Club for all four years of her high school career. She has already been accepted at Northwestern Michigan College at Traverse City where she will begin nursing training this fall.

Victoria Rae, better known as Vicki, has been a member of F. H. A. for three years and in 1962 won the homemaker award of Grayling High School. She has been a member of the Grayling High Band for 3 years and on the year book staff for 4 years. Vicki has also served as pianist for the Glee Club for four years. She was President of the Senior Class and a member of the National Honor Society for both her Junior and Senior years. Vicki plans to attend Moody Bible Institute in Chicago next fall.

Scoring second places for the green and white were: John Sorenson in the mile, Walt Nielson in the half mile, Joseph in the 100 yard dash, Luckstead in the low hurdles and Nielson also in the shot put. Placing third for Grayling were: Jim Blaauw in the mile and Dick Lobsinger in the 440. Luckstead added a fourth in the 100 yard dash as did Eddie Robertson in the shot put.

Grayling was scheduled to entertain the Harbor Spring Rams and the Kalkaska Blazers in a triangular meet here on Tuesday afternoon of this week.

St. Francis' Ladies Plan Bake Sale

St. Francis' Episcopal church women will sell home baked goods on Saturday, April 25, in front of the Grayling Pharmacy, beginning at 10 a.m. Besides the usual assortment of fancy breads, cakes and pies, there will be baked beans, potato salad and chili.

P-TA To Meet Monday

The April P-TA meeting will be next Monday, the 27th, at 8 o'clock in the GHS gym. The program for the evening will be the election of officers for next year, a review of the year's activities and plans for future projects and growth.

Viking Thinclads Lose First Track Meet

The Grayling High track team lost their first meet of the season at the Grayling Memorial Recreation Area on Tuesday afternoon of last week. The loss was to the Manicella Ironmen and by the close margin of 75% to 63%.

The Vikings were leading the meet but Mancelona won 11 points in the pole vault to none for Grayling when coach Bruce Smith would not enter any vaulters as no Grayling trackster had yet had any practice on the vault this season.

Taking first places for Grayling were Curt Feldhauser in the high hurdles, Jim Young in the 440 yard dash, Bill Joseph in the 220 yard dash, Young in the high jump, Gary Luckstead in the shot put and Luckstead also in the broad jump. A Grayling relay team composed of Young, Joseph, Terry Smith and Randy Thompson won the 800 yard relay.

Scoring second places for the green and white were: John Sorenson in the mile, Walt Nielson in the half mile, Joseph in the 100 yard dash, Luckstead in the low hurdles and Nielson also in the shot put. Placing third for Grayling were: Jim Blaauw in the mile and Dick Lobsinger in the 440. Luckstead added a fourth in the 100 yard dash as did Eddie Robertson in the shot put.

NOTICE

The Branch Office of the Secretary of State located in the Gould's Cleaners building will be closed April 29-30 and May 1-2.

With the acquisition for use of two lots in the downtown area for off-street parking, the City Council at a meeting held last Thursday with a representative from Duncan Parking Meter Company voted to enter into an agreement on a six month trial basis to install parking meters on Michigan Avenue from Spruce Street to the railroad tracks.

The revenue received from the parking meters and the fines has been earmarked for the further development of off-street parking areas.

The city has obtained the use of the land behind the court house and will tear down the old garage behind the jail which has not been used for some time now. With the garage out of the way the parking area will extend from Spruce St. to Peninsular Avenue and will provide parking for approximately 45 cars.

Another area to be used is the land where the former Einer Rasmussen home and old Annex to the hotel once stood. This lot will extend from 1-75 business loop thru to Norway Street. The city has obtained permission from Roy DeWitt, owner of the property to use this until the time comes he needs it for his own interests.

At the present the city maintains two other free parking areas near the downtown district. One is located in the city park near the bridge on the AuSable river. The other is the lot facing Cedar Street and Michigan Avenue forming an L shape, behind several business places.

In the agreement with the Duncan Company, if the city is not satisfied with the meters after the six month trial period the company will remove all meters and make any repairs needed with no cost to the city.

It was reported at the meeting by Harold Cliff, City Manager, that he had checked with the City Manager of Gaylord on the revenue obtained thru their parking meters. The City of Gaylord in 1962-63 received \$7,055.27, plus \$400.00 in fines from the parking meters. During the period of July 1, 1963 to October 31, 1963 they realized \$4,839.69, plus \$362.15 in fines. Gaylord has 210 meters in operation. Grayling will have approximately 195 meters.

LITTLE LEAGUER'S REGISTRATION

Little League registrations will be April 26 and May 3, from 3 to 5 p.m. at Chief Shoppenagons Motor Hotel. Anyone who registered last year does not have to this year, unless they were 8 years old last year. Anyone on major league team does not have to come out for tryouts. Tryouts will be held May 5, 6 and 7 at 6:30 p.m. at the Little League field.

Anyone interested in helping out with Little League please call Bob Golnick, 348-8141. Help is badly needed.

Frederic Alumni Basketball Friday

There will be an Alumni basketball game at the Frederic High School gym on Friday, April 24, from 7 to 9 p.m. The Sophomore Class is sponsoring a dance following the game, featuring a cake walk and games. Admission to the dance is 25 cents per person. Admission to the Alumni game is 25 cents and 10 cents.

Puff - Puff - Puff

With abacus in hand, we have been examining the cigarette advertisement that tells you how to get a St. Bernard puppy or a mink stole simply by saving cigarette coupons: one coupon free with each pack, and four extra if you buy by the carton.

We began with the (autumn haze) mink stole — only 47,185 coupons. Assuming that the stole-lover smokes a pack a day, but buys by the carton to get those four extra coupons, it will take him/her only 92.3 years to accumulate the necessities. (By which time, there is danger that stoles will be out and feather boas back in!) If its little barrel.

The St. Bernard puppy (18,830 coupons) is elected instead, he will be only 36.8 years old when the pack-a-day smoker has amassed enough coupons to redeem him.

Of course, a husband-wife team, with hearts and lungs set on the stole, could make it in 15.4 years if each partner smoked three packs a day — and no guarantees that they'll have strength enough to unwrap it when it arrives. Or, smoking at the same rate, they could acquire the St. Bernard in 6.7 years, train it to smoke three packs a day too, and end up, 10.2 years after that, with both dog and stole.

And the dog could be trained to carry a small x-ray machine in out and feather boas back in!) If its little barrel.

Letters To The Editor

April 13, 1964

Dear Bob:

We in Crawford County should be very glad to have an editor who will print articles for both political parties, and all church and social groups. I hear this more and more at area meetings where many newspapers always "lose" the article from the opposite side. I want to express my thanks to you for myself and all the Democrats for your cooperation in printing all articles brought you and also in a very prominent spot in the Crawford County Avalanche. This also goes for the Crippled Childrens Society, Mental Health, and the other organizations which I work for. Without your help our drives and campaigns would fail. Again, thanks, Bob.

SIXTH GRADE NEWS

By Marcella Millikin, James Beckwith and Wayne Lavrack

Mrs. Ashton's sixth grade is having history reviews. We are drawing pictures and writing reports to make booklets of what we have studied.

We made a bulletin board about the earth quake in Alaska. We gathered our material from the newspapers.

Last week we started to plant seeds and watch them grow for observation in our TV science class. We are having fun watching to see which seeds grow the fastest.

Four girls in our room surprised us with an April Fool party. They were Kathy Post, Terri Haas, Nancy Burns and Debbie May. They served cupcakes, fudge, and milk and Mrs. Ashton read an extra chapter in our story book.

For room decorations we have spring flowers and pictures of spring. We think they are colorful and make the room look quite pretty.

Leonard Refineries Plan Spring Dealer Meetings

Leonard Refineries, Inc., Alma, will take some of its own advice and do some traveling in Michigan - to put on its annual Spring Dealer meetings in Cadillac, Frankenthuth and Jackson the third week in April. More than 1,000 Leonard dealers and distributors will attend three meetings at which the refinery's product, promotion, and advertising plans will be detailed. Scheduled for 2:30 p. m. every day, the sessions will be held at the Caberlae Lodge in Cadillac on April 21st, at the Bavarian Inn in Frankenthuth on April 22nd, and at the Armory in Jackson on April 23rd.

Reid Brazell, President, and L. R. Kamperman, Vice President, Director of Marketing, will head the list of Leonard home office representatives who will participate in the meetings. Mort Neff, whose weekly television show, "Michigan Outdoors," is sponsored by Leonard, will appear on all three programs.

Dealers and jobbers from the local area who attended the Cadillac meeting were: Mr. and Mrs. Art Clough, Sr., Miss Marilyn Stampfly, John Stampfly and Thomas Stampfly.

Hanna H. Kroll Wins Illinois Latin Contest

Hannah Kroll, daughter of Mr. and Mrs. Charles M. Kroll, and a junior at the Ferry Hall School, is one of the district winners of the Illinois Latin Contest. The results, which were announced today, indicate that she rated Superior in the Latin I section. The contest, which is held annually to give recognition to scholars for excellence in Latin, consists of two sets of tests. The first is a district competition, high winners of which are eligible to compete in the statewide contest in May. Along with Hannah, eight other Ferry Hall School girls placed in the district competition, which gives the school an exceptionally high per capita rating.

The contest is sponsored by the Illinois Classical Conference and is approved by and under the supervision of the Illinois High School Association.

The Ferry Hall School is a college preparatory school in Lake Forest, Ill., thirty miles north of Chicago. It is almost 100 years old.

State Group Seek Area's Handweavers

The Michigan League of Handweavers is trying, with the cooperation of a number of progressive newspapers which serve the rural areas of the State, to get in touch with weavers or potential weavers for the purpose of enabling them to make contact with other weavers in the same area. The League has members in about half of Michigan's 84 counties and is desirous of extending its membership privileges and advantages to as many more as it can possibly reach. It is well known that a weaver with others nearby with whom she can discuss her problems and exhibit her weaving accomplishments, gets much more out of her hobby than one who works alone.

For instance, in the Traverse City area there are 4 very good weavers who get together regularly and who would like to add a few more to their group; in Hartland there are 2, Baldwin 4, Belleville 6, and the same is true pretty much all over the state. The League makes it possible for weavers to get in touch with each other and much good fellowship and lasting friendships can be expected to result "when good weavers get together." weavers sponsors an annual conference at which outstanding weavers discuss and demonstrate the various phases of weaving in which individual members are interested, or specialize. The Conference is scheduled this year in Kalamazoo on June 19, 20 and 21, using the facilities of Western Michigan University. It also arranges local meetings and workshops with programs and instruction sure to be of interest, and maintains a list of sources of looms, threads, accessories and publications, as well as general information on any facet of this exciting and useful hobby. It may be surprising to learn that in the Detroit area there are 2 weaving guilds with close to 200 members, both men and women. Other guilds are organized in Ann Arbor, Niles, Lansing, Kalamazoo and Grand Rapids.

The Michigan League of Handweavers believes it has many advantages and privileges to offer to anyone interested whether they have a 2-harness rug loom, a small table loom, or a multiple harness loom, and it welcomes applications for membership, for which the annual dues are \$3.00. For information, with no obligation, please feel free to write to:

Public Gets Fringe Benefits Also

Nothing is taken more for granted than the gasoline service station. The smallest communities have them. They are as common as grocery stores. And all of them, with few exceptions, provide a wide list of services beyond providing gas, oil and lubrication.

So it comes as something of a surprise to be reminded that many a present-day motorist was driving before a single service station so much as existed.

One of the pioneers opened its first drive-in service station in Pittsburgh just 50 years ago. The following spring it introduced the first free road map for the benefit of local motorists who became lost while motoring beyond the city limits. This and other early stations were to change the concept of gasoline marketing, set a style for such stations for years to come, and change the name of the outlets from "filling" station to "service" stations. Originally, gasoline was sold by livery stables, stores and repair shops — from drums or in 5 gallon cans — and next from pumps located on sidewalks and curbs where the usual practice was to hand-pump the fuel into containers provided by the motorist himself. And the gas, of dubious quality in those days, was usually filtered through chamomile or heavy cloth.

The service station has come a long, long way in those 50 years. But the early ones deserve their place in history. They set a precedent for "service" that benefits everyone. Few, if any, merchants give so many "fringe" benefits.

A Theory That Failed

The theory behind communism — which has had 45 years now to prove itself — is that the wealth should be shared by all. This was to be done by an all-powerful government which would own and direct anything of any consequence and make all the decisions.

The result has been the creation of the greatest

poorhouse in history. To quote from Time magazine, "The eight-nation group created by the communists in frank imitation of the Common Market not only has failed to relieve the economic chaos in Eastern Europe, but in many ways has actually worsened it. So nightmarish is their job that the satellite economists have begun to grumble openly."

The moral is plain enough: Economic progress, with all it involves in the way of living standards, has as its primary requirement — economic freedom. Then, beyond the material, economic freedom is the basis on which all human freedom rests. The whole history of communism refutes the efficiency of the superstate. We sorely need to learn that lesson.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVANCELANCHE OF 23 YEARS AGO

April 24, 1941

Thirteen members of the legislative committee of the state senate and house stopped over in Grayling Tuesday noon for luncheon. Several local citizens were out to welcome them and enjoy the noon meal together. A number of members of the conservation commission also were in the group.

The seven Home Economics Extension groups of Crawford and Roscommon counties held their annual Achievement day at the Grange Hall Tuesday, and it was one of the most successful ones held in the history of the organization. The day began with a luncheon served at noon by the Grange ladies, and there was an exhibit showing the work accomplished this year. In the afternoon there was a program and musical numbers, and a lecture by Mr. R. J. Baldwin, director of extension work in the state. The first extension group was formed in 1910 and Mr. Baldwin was the organizer and now there are 194 such groups in the smaller cities and villages. This was the 22nd annual Achievement day. In the course of the afternoon election of officers for the year was held with the following result: Mrs. Earl Broadbent, chairman; Mrs. John Mallingier vice-chairman; Mrs. Sanford Palmer, recording secretary; and Mrs. Charles Owens publicity chairman.

Fifteen thousand 16-page folders have been ordered printed by Grayling Chamber of Commerce. They will be of extra interest and what will be of extra interest will be a copyrighted map of the AuSable river from Grayling to Lake Huron, and the principal streams running into it. This is the only map of its kind ever issued and no doubt will be in great demand. On the inside pages the folder will show an up-to-date map of Crawford county, also distances from Grayling to other Michigan cities.

The lure of a budding spring is upon us. Even the byways are dry, smooth and tempting to weekend motorists. So listen to a man who knows why panoramic vistas of rural loveliness too often end in crashes. Don E. Knapp of Howell has taken 1,500 pictures of smash-ups, mostly for newspapers and insurance companies, and he avers that neither high speed nor drinking, but inattention, is the major cause of accident and death on the highway. Most people are killed on the best highways on bright days. Many a person has died while rolling down a window, kissing a girl, taking a drink or lighting a

cigarette. So keep your mind on the job of driving and your eyes front these spring days.

The newlyweds, John Kellogg and the former Marion Brink of Detroit, spent the weekend at the Ed Kellogg home on the North Branch. Mr. and Mrs. Henry Vance of Luzerne and Mrs. Rachael Keane of Higgins Lake were also Sunday callers there.

The Frank Woods have returned to Lovells from a business trip to Detroit.

Little Judy Larson, daughter of Mr. and Mrs. Ernest Larson, celebrated her first birthday anniversary Monday, and Saturday evening relatives and friends dropped in to celebrate the occasion. Ice cream and cake were served the guests.

The monthly firemen's social party was held at the home of Mr. and Mrs. Jack Clark Saturday evening. Pinocle and bunco were the order of entertainment, with honor scores being held by Kenneth Clise and Jack Perry for pinocle, and Mrs. Paul Lovely and Mrs. William Golnick for bunco. The committee in charge was Jack Clark, Kenneth Clise and William Golnick.

Mr. and Mrs. Jerome Kessler are happy over the arrival of a son born to them at Mercy Hospital Friday. The little boy weighed 9 pounds and 4 ounces, and his name is James LeRoy. His brothers, George and Roger named him.

Major and Mrs. Russell E. Bates of Fort Leavenworth, Kan., arrived in Grayling the first of the week to call on old friends and look after some business interests. Major Bates has been military instructor at Fort Leavenworth. Upon his return he will be stationed at a coast artillery regiment in Uncle Sam's army.

A picture appeared in a recent edition of a Lansing newspaper of Mr. and Mrs. Ben H. Yoder and their thirteen children. The Yoders were former residents of Grayling when the former was employed as lineman by the Grayling Telephone Company when the late M. A. Bates was the owner. The family left Grayling for East Lansing 13 years ago and at that time had eight children. The headline over the picture says they are one of Ingham County's largest families. The oldest of the children and the youngest 6 years. Mr. Yoder is 52 and Mrs. Yoder 48 years old.

Miss Helen Cody was honor guest at a lovely miscellaneous shower

Thursday evening, given by Mrs. Jack Clark at her home. Eighteen ladies were present, and lunch was enjoyed. Mrs. Herbert Trudeau and Mrs. Ben Garland of Roscommon held high and low scores respectively. A lovely lunch was served from a prettily decorated table, the centerpiece being a miniature bride and groom standing within a heart, and guarded by two white lighted tapers. Miss Cody, who will become the bride of Paul Lippert of Roscommon, was the recipient of many lovely gifts.

Mr. and Mrs. Frank Millikin and children and Mrs. Hjalmar Mortenson spent the weekend in Pontiac.

Misses Ernestine and Beverly Stephan spent the vacation week visiting at the Harold Skingley home in Gaylord.

Mr. and Mrs. Harvey Mattoon and children of Pontiac accompanied Mrs. James Perry home and spent the weekend visiting here.

Richard Lovely and family have moved to the Military reservation at Lake Margrethe, having sold their home on Elm Street to Philip Quigley.

Jens Ziebell enjoyed a few days vacation from his duties at the Conine grocery during the weekend and spent it in Detroit. On Friday he saw the Tigers win from the Cleveland Indians.

Mrs. William McNeven, Mrs. James Reynolds and son James accompanied Mr. and Mrs. Jess Green and little grandson David Daugherty of Roscommon to Midland Sunday where they visited the Harry Reynolds family.

Dr. and Mrs. R. L. Barrus of Lansing visited Mr. and Mrs. Ernest Borchers a few days last week.

Harry Sorenson spent a few days visiting relatives in Bay City.

46 YEARS AGO

April 25, 1918

The AuSable river bridge at the Big Mill on Cedar street fell through Tuesday when a wagon loaded with ashes belonging to the ashery works and driven by Fred Brown and Ed Hollingsworth were in the middle of it, precipitating an into the river. Just as the load reached the middle of the bridge it gave way and crashed to the river. Mr. Brown said he looked back and could see the wagon and horses coming down on top of him and how he managed to escape injury he is unable to tell. The water is deep at this place and the men and horses were at once submerged and it was with difficulty that one of the horses was saved from

Mrs. Sarah Robinson visited Lewiston last week and while there sold her farm to the Neal and Bigelow company.

Sergeant Arthur McIntyre is enjoying a week's vacation visiting his mother and friends while on a furlough from his duties at Camp Custer.

Bert Shaw, son of Mr. and Mrs. Grant Shaw, has enlisted in the radio service of the U.S. Navy. He was a telegraph operator and located in Hoquien, Wash., from which place he enlisted.

Gilbert Cram and Edward McDermid of Frederic have returned to the Naval Training Station at Camp Dewey, Great Lakes, Ill.

WORTH REMEMBERING

The ability to remember
birthdays and anniversaries
is often quite rewarding. The
little woman appreciates
your being thoughtful.

If you really want to
please and win favor, re-
mind her that it's been a
while since she took a little
time off for shopping around
in her favorite local stores.

We bet she'll be so ap-

preciative that she'll spend
your money wisely (the usual
story, when shopping locally)
and that she'll come home
with some bargains worth
bragging about (this often
happens, too).

Seriously, whatever the oc-
casion, everyone does better
when they buy the things
they need locally—where
prices are best and mer-

Moose Lodge Activities

The past weekend was a very busy one. Friday evening, the officers for the coming year were installed. Officers installed: Gov. Chuck Stoddard, Jr. Gov. John Galloway; Prelate Louis Foster; Treasurer, Art Stephenson; Trustee, E. Wales Sr.; Sgt.-at-Arms, Everett Jones; Guards Jim Stephenson and Ray Carriek; Trustee George Leas was promoted, because he was unable to attend. A luncheon was served afterwards by the new officers.

Saturday evening six new members were enrolled by the Grayling degree team. Also a very special event took place when Gov. Alfred Hanson was presented a 50-year pin by Mr. Gov. Everett Jones, Gov. Hanson has the longest time of service of anyone in the lodge. Elmer Neal was awarded a diamond jubilee watch by Gov. Hanson for reaching his goal of twenty-five members, however, Elmer has another watch for his wife coming, for also reaching his second 25-member goal. The lodge was presented a very nice clock by Moose heart for reaching its membership goal, which Elmer had a very large part in doing. We still have about nine weeks in the diamond jubilee campaign, for the rest of us to earn a watch. They are very nice timepieces.

Sunday was the Legion of the Moose Jubilee in Midland. Several Legion members attended, to represent Grayling.

Monday evening the WOTM had their regular meeting along with an enrollment.

This coming Sunday, April 26, the degree team goes to Saginaw for State Ritual competition at the State Convention.

The next district meeting will be held in Grayling on May 17th at 3:00 p.m. Let's all plan to attend and have a very large representation for our own lodge.

Don't forget the Moose Blood Bank for members in case of emergency. We need a lot more blood. Have you given any yet?

Miss Carol Ann Prange, daughter of Mr. and Mrs. Arthur Crouch of Grayling, became the bride of Mr. Douglas Formento, son of Mr. and Mrs. Michael Formento of Millington, in a double-ring ceremony performed by the Rev. Alfred C. Fennell at 2 o'clock on Saturday, April 11, 1964 at the M. M. Methodist church. Altar flowers of white chrysanthemums and gladioli, and palm fronds formed the setting for the marriage. The processional, "Father Like a Shepherd Lead Us," was played by Mrs. Arthur Feldhauser, who also sang "Oh Perfect Love" and "The Lord's Prayer." Sixty guests were on hand to witness the ceremony.

The bride, given in marriage by her father, was wearing a floor-length dress of white nylon, with scalloped neckline, embroidered with seed pearls, fingertip sleeves and a bustle back. Her waist-length veil fell from a crown of net covered with sequins and pearls. She wore a gold cross necklace, and carried a nosegay of pink sweetheart roses and white mums.

Matron of honor was Barbara Staples of Ann Arbor. Sister of the bride, Barbara Crouch, was bridesmaid. They wore matching dresses of pale blue street-length satin accented with bows in front, blue veils topped with bows, and corsages of pale pink sweetheart roses.

Russell Formento of Detroit served his brother as best man. Arthur Formento of Millington, another brother, was groomsman.

For her daughter's wedding, Mrs. Crouch chose a blue jersey costume with matching accessories. Mrs. Formento wore a beige sheath dress with pink accessories. Both mothers wore pale pink sweetheart rose corsages.

A reception at the Chief Shop-Johnson Motor Hotel followed the wedding. The bride's table held a four-tiered white wedding cake decorated with candy lilies of the valley and pink roses topped by luminaria bride and groom. Low waves of white gladioli and mums were placed at each side.

Mr. and Mrs. Formento are making their home in Detroit following the honeymoon trip to New York. The bride's going-away costume was a beige tweed suit and matching accessories with which she wore an orchid, a gift from her husband. The new Mrs. Formento is a 1962 graduate of Grayling High school. She is taking training at Henry Ford Hospital to be an X-ray technician. Mr. Formento graduated in 1960 from Millington High school, and has attended Weaver Airline Personnel school in Kansas City, Missouri. He is presently employed at Metropolitan Airport for American Airlines, in Detroit.

Guests from out-of-town to attend the wedding were from Millington, Birch Run, Vassar, Keego Harbor, Detroit, Wayne and Lansing.

MRS. JANE GIBSON SUCCEUMS APRIL 19th

Mrs. Jane May Gibson, of Frederic, passed away at Mercy Hospital on Sunday, April 19, 1964. Funeral services will be held at 2 o'clock on Thursday afternoon, April 23rd, at the Sorenson Funeral Home with the Rev. Charles Allen officiating. Burial is to be in Oakwood Cemetery in Frederic.

Mrs. Gibson was born July 24, 1889, in Ontario, Canada, to Mr. and Mrs. James Elliott. Previous to coming to Frederic in 1950, she lived in Kalkaska for four years. She was a life member of Columbia Chapter No. 99, Order of Eastern Star, Kalkaska. Detroit was her home before that. A housewife, she lost her husband, the late William C. Gibson, in December of 1962.

Survivors include a brother, Percy James Elliott of Jackson, and a nephew, Wilfred C. Graham of Battle Creek.

Winning three classes in the Mobil Economy Run is easy if you have a great transmission.

CLASS C*	MILES PER GALLON	CLASS D*	MILES PER GALLON	CLASS G*	MILES PER GALLON

Buick has a great transmission.

An automobile transmission, we grant you, isn't the most soul-stirring subject on earth. Nothing to look at either.

But if you'd like for your next new car to give you a better break on performance and gasoline mileage, something happened last week to be your guide.

The Los Angeles to New York Mobil Economy Run proved one thing for sure. There's quite a difference in the transmissions of new cars.

Three out of four for Buick

The long-time champion in the transmission league, Buick, walked off with the 1964 economy pennant. No other single make of car won as many events as Buick. Four entries, three winners.

The winning Special earned the new Super Turbine 300 automatic transmission, the LeSabre was equipped with the Super Turbine 400 (both optional at extra cost). They're the latest in a long line of Buick transmissions well known for their smoothness and absence of "shift feel". The Super Turbine is a refined and improved torque

converter type to help you safely pass cars and trucks as well as gas stations.

You'll hear a lot about it in the next couple of years as this modern kind of transmission is adopted by more and more car builders.

What about engines?

Of course, an efficient transmission gets more efficient when teamed up with a lean, agile engine. The winning Buick power plants were our new V-6 and V-8. The 300 cubic inch V-8 in the winning Buick Special (the lowest priced of all Buicks) and the Buick LeSabre (the lowest priced big Buick) is like a well-oiled machine. All muscle, no fat. Weighs in at less than other V-8's of similar punch. It took every other V-8 in the Economy Run.

Your type of driving—regular gas. The Run was through cities and towns, across super highways, in traffic, out of traffic. This was not race track driving or proving ground driving. This was your kind of driving—even though you can't expect to get as good mileage as these expert drivers in their finely tuned produc-

tion cars. The distance was 3,243 miles, about what most families log in four months. All three Buicks used regular gas. So the Economy Run is not just a cross country tour for the Mobil people and a few car buffs. It's a reliable test of a car's power team and what it's able to squeeze out of itself.

We don't expect everybody to rush out this week-end to buy a new Buick just because we won a few economy trophies. There are so many other good reasons for leaving to Buick that economy usually gets second billing. There's styling, naturally. An unusually great ride. Extraordinary engineering and workmanship. And very young performance. Small wonder Buick sales are running at 11.5% over last year.

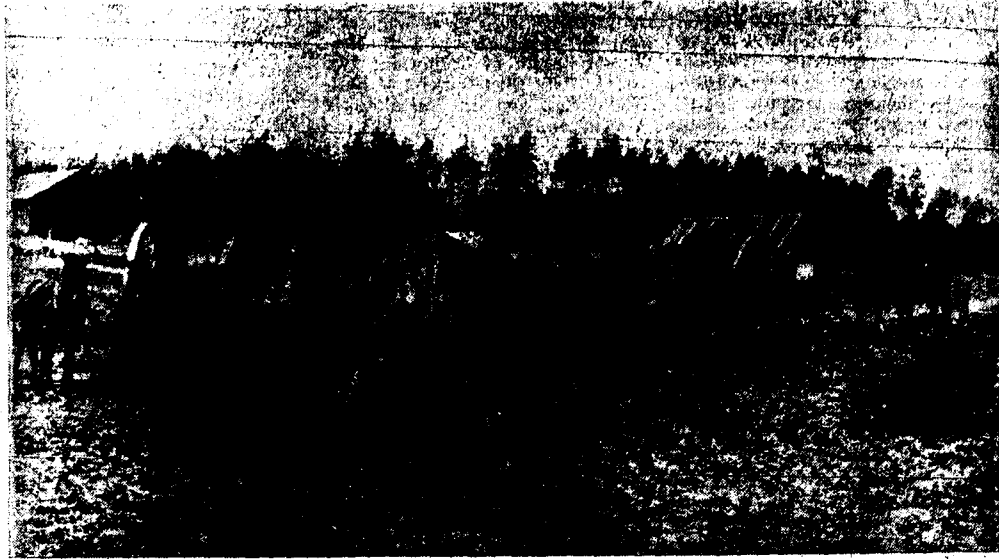

But it's nice to get economy as a plus in a Buick. Beyond the dollars saved on gasoline, there's a certain pride in knowing you have a car that's built to get the most out of every tank of gasoline.

Wouldn't You Really Rather Have a Buick?

Chamber of Commerce Minutes

Special meeting, Board of Directors, April 15th, 1964.

Meeting called to order at 8:00 p.m. by Vice President Carroll Wert. Other Board members present were: Bill Tufts, Chuck Kroll, Sal Truettner, Marvin Miller and Don Jansen.

Purpose of this special meeting was to consolidate committees to head the following endeavors in 1964:

1. Chamber of Commerce Membership. 2. Sports Car Races. 3. Canoe Races. 4. Winter Carnival. 5. Publicity.

A motion was made by Mr. Miller that the meeting be turned over to Bill Tufts' direction for discussion on the above topics. Seconded by Sal Truettner. All ayes.

First committee brought up was the Membership Committee. After due discussion, all present agreed on the following set-up: Mary Welch to head the committee as Chairman. Bill Sorenson 2nd in charge and John Latusek 3rd in charge. Committee to also include the following members: Jack Cook, Art Clough, Harvey Rowland, Bob Strong, Eric Post, Wes LaGrow, Olin Williamson, Jerome Kesseler, Dick DuBois and Earl Burns.

A motion was made by Don Jansen to the effect that the Membership Committee be called upon to review the dues structure of all Crawford County Chamber of Commerce members with the view of making the various dues payments more equitable. Kroll seconded and motion carried unanimously.

A motion was made by Don Jansen that on each of the serving committees the Chairman for 1964 would automatically retire at the end of one year of service and be replaced by another working member of the committee for the following year. Specifically, on the Membership Committee, Mary Welch to serve as Chairman in 1964, Bill Sorenson in 1965 and John Latusek in 1966. Motion seconded by Carroll Wert and carried unanimously.

Next in point of discussion was the Sports Car Races. This committee was agreed upon as follows: Tom Welsh, Chairman. Don Jansen 2nd in charge and Carroll Wert 3rd in charge. This means that Tom Welsh will serve as chairman in '64, Jansen in '65 and Wert in '66. Additional helpers to be recruited as needed by the Chairman.

Two suggested names, brought up by reason of expressed willingness to serve, were Bill LaGrow and Clarence Holcomb.

Similar discussion on the Canoe Race Committee resulted in the following agreement as to membership: Arnie Mauren to be Chairman for 1964, with Eric Post 2nd in charge and Don Bartholomew 3rd in charge. A suggestion was made by Carroll Wert that by reason of word of willingness to serve, the Secretary of this Committee with help given on any necessary correspondence by Marge Roper, Chamber of Commerce Secretary.

Winter Carnival was the next committee in line for discussion, resulting in the following agreement by all present: Chairman for 1964 to be Melvin Nielson, with Sal Truettner as 2nd in charge and Dick DuBois as 3rd in charge. The committee to call upon other persons for voluntary help as necessary. Two names suggested because of expressed willingness to serve were Dave Every and Earl Longworth.

Last topic for discussion was formation of Publicity Committee. Results of discussion as follows: Hal Walker to serve as Chairman in 1964, with Chuck Kroll 2nd in charge and Bob Strong 3rd in charge. This committee will call upon Col. Carl Rasak for assistance as needed. It was agreed that all publicity from other committees be funneled through the Publicity Committee to avoid unnecessary duplication of effort. The Publicity Committee in turn will coordinate their work with Marge Roper.

A motion was made by Bill Tufts that an informal report of progress by each committee be submitted by the Chairman once each month at a regular meeting of the Chamber of Commerce Board of Directors. Chairmen of the various committees will be notified in advance by the Board when such reports are due.

A final motion was made by Kroll that the meeting be adjourned. Seconded by Bill Tufts. All ayes. Meeting closed.

School Board Minutes

March 9, 1964

The regular meeting of the trustees of Grayling School District No. 1 was called to order at 7:45 p. m. in the Home-making room by President B. E. Henig.

Present: Trustees James Baker, Matilda Bishop, Dr. B. E. Henig, Bill Joseph, LeRoy Millikin, Eva Strong and Gordon Thompson. Also present were Supt. Joseph Stripe, Miss Pat Hunter and Mr. Don Jansen.

Miss Hunter informed the board of her interest in youth activities and inquired about use of south side school building as Teen-age

Center. After a discussion, the trustees suggested that Miss Hunter inspect the building and present the board with further plans for maintenance in operating a teen-age center before use of a building be granted. In the meantime Miss Hunter was offered full use of the gym facilities for supervised teen-age use.

Mr. Jack Holt, from Michigan Consolidated Gas Company, appeared before the board and requested Right-of-Way Agreement to run the pipe-line through school forest property and offered \$240 for same. Moved by Baker and supported by Millikin, that approval be granted. Motion carried.

The minutes of the meeting held on February 10, 1964, February 12, 1964, and March 2, 1964, were read, corrected and approved. The Treasurer and Superintendent reported on the financial condition of the district as follows: as of February 28, 1964, the balance in the General Fund amounted to \$60,938.08; Debt Retirement Fund, \$19,471.75 and Building and Site Fund, \$502,282.22. After further discussion of the financial condition of the district, it was moved by Baker, supported by Bishop, that bills numbered 4399 thru 4450, in the amount of \$21,947.65, be approved as read. Motion carried.

Moved by Strong, supported by Baker, that the superintendent investigate our electric rates. Motion carried.

Supt. Stripe reported to the trustees on the following items: Rev. Johnson is now driving a bus in place of Mr. Hatley, who is ill. Mr. Mike Seilo has been hired for speech correction for 1964-65 and his salary will be shared by Houghton Lake, Roscommon and Grayling Districts; a new budget and calendar were presented; a policy for student fund raising was presented; and the Superintendent reminded Board Members of coming meetings at Houghton Lake on March 18th and Mio on April 1st and a special Board Meeting with architects on March 17th, at 7:30 p. m.

A bill for gym rental in the amount of \$20.00 for Grayling firemen was discussed. Moved by Millikin, supported by Thompson, Board remit this bill to the Grayling firemen as paid in full. Motion carried. Secretary read a letter from the Grayling Teachers' Club proposing a joint committee of Board members, Administrators and Teachers to compile school personnel policies. Mrs. Strong and Mrs. Bishop accepted appointment as a committee of two to represent this Board at such meetings.

A lengthy discussion was held on the win-loss record of our Varsity Basketball Team during the past years. A copy of this record is attached to these minutes.

Moved by Joseph, supported by Millikin, that we accept salary schedule as amended. Motion carried.

The Trustees discussed the Elementary Principal and also discussed adding \$1500.00 to our budget for athletic and extra-curricular use.

There being no further business to come before the board, the meeting was adjourned at 10:45 p. m.

March 12, 1964

Special meeting of the Board of Trustees, School District No. 1, was called to order at 7:35 p. m. in the home-making room, by Secretary Bill Joseph. Present: Trustees James Baker, Matilda Bishop, Bill Joseph, LeRoy Millikin, Eva Strong and Gordon Thompson. Also present were Supt. Joseph Stripe, Mr. Don Jansen, Mr. Claus Beukema and Mr. Richard Wiggins. Absent: Dr. B. E. Henig.

Moved by Baker, supported by Bishop, that we approve payment of bills numbered 4451-4475 in the amount of \$11,670.54. Motion carried. The meeting was turned over to our architect, Mr. Wiggins, who went over plans and specifications for rehabilitation of existing Grayling High School building. Mr. Stripe announced that he had applied for N.D.E.A. Title 3 aid. These plans and specifications were discussed in great detail and it was moved by Baker and supported by Millikin that we accept the final plans, specifications and special equipment for rehabilitating and furnishing of existing High School Building and authorize our architect to advertise for bids to be opened Tuesday, April 14, 1964, at 8:00 p. m., at the Grayling High School. Motion carried unanimously. Moved by Strong, and supported by Bishop, that we grant the Senior Class (1) one extra day so that they may make a four-day trip to Washington, D. C. Motion carried. Meeting was adjourned at 9:45 p. m.

Letters To The Editor

April 13, 1964

Mr. Robert W. Strong, Editor
Crawford County Avalanche
Grayling, Michigan

Dear Mr. Strong:

Satisfaction springs from many sources, but perhaps the greatest common reservoir of incentive is man's constant struggle to improve himself. The National Foundation in its fight against disease and disability is writing new pages of history, building upon the accomplishments of the past. This pursuit of better things for all people is this application of incentive and know-how has this year been pushed to greater heights with the splendid cooperation—the March of Dimes has received from you and the staff of your newspaper.

It is with a great deal of pride that I report to you that once again the March of Dimes campaign has been a success. A great deal of the credit for its success is due to your newspaper's effort. Your help in presenting our exciting story and in stimulating the support of the American people, has supplied the ammunition for The National Foundation to continue its war against rheumatoid arthritis, birth defects and polio.

I wish to thank you on behalf of our volunteers in your community, The National Foundation and myself, for the help we received from your newspaper during the past campaign. We gratefully solicit your continued support in the future.

Sincerely,

Robert O. Cook

Several Local Youngsters Win Archery Awards

On Saturday, April 18th, the group of young folks to whom the Grayling Bowhunters have been giving archery lessons all winter, assembled in the Bowhunter's club house for a big shoot-off. More than 80 junior size Robin Hoods and Maid Marjans were on hand for this indoor season wind-up.

When the last bowstring had twanged and the last shaft lodged in the target, the following top winners were declared: For boys in the 9 to 12 age group — Tony Hoffman. For boys 8 years old or under — Pat McIsaac. Girls 9 to 12 — Sherrill Thayer, and for girls 8 years and under — Linda Hatfield.

Prizes consisted of Bear bows, arrows, quivers and other archery accessories. The top prize, a .22 rifle donated by Bear Archery Company, was awarded as a door prize in order to give all youngsters a chance at it. When the drawing was made, Ed Papendick was the lucky winner. Everyone who attended took home a prize of some kind as a reward for their efforts.

The youngsters have learned quite a bit about archery this winter and many expressed the hope they would be allowed to shoot again next year. The Bowhunters certainly plan to carry on this program next winter, and hope to have

even more participants at the time. Two more weeks will see the wind-up of the Bowhunter's Senior Indoor League, at which time their activities will switch to a summer league at their outdoor range north of town. The range is being completely re-built by the members this year. In the indoor league, the race for first place is still a close one, with Stan Madsen's team of Bob and Bobby Smock, Howie Hatfield, Chuck Kroil and Larry Wakeley still hanging on to a precarious lead. This team will be hard to beat in the stretch, for as they loudly proclaim, "We are the greatest!"

THAYER ELECTED TO REGION 14 COUNCIL

A meeting of the Michigan Educational Association Region 14 Council, was held in Gaylord on Wednesday, April 15th. Attending from here were Mrs. Evelyn Klein, Albert Westervelt and Arthur Thayer. Mr. Thayer was elected president-elect of the group. As such he will be chairman of the two-day teacher-institute to be held in Alpena the fall of 1965. Mr. Thayer is also president of the Grayling Education Association, the former teacher's club which was reorganized last year.

Region 14 is made up of Crawford, Oscoda, Alpena, Montmorency, Otsego, Presque Isle, Cheboygan, Emmet and Charlevoix.

IN MEMORIAM

In memory of Arthur Worden who passed away a year ago April 27th.

What would we give if we could say "Hello dad" in the same old way. To hear your voice and see your smile, to sit and chat with you a while. So many times you seem so near, your gentle voice seems to hear. The oft with tears our eyes do fill we trust in God, it was His will. We go on with memories no one can steal. Death is a heartache that will never heal. Some may forget you now that your gone, but we will remember Dad, no matter how long.

His Wife and Children

HUNTER - WERT WED APRIL 9th

Michelson Memorial church was the scene of the April 9th marriage of Miss Charlotte Hunter, daughter of Mr. and Mrs. Otis Hunter, and Mr. Jerry Wert, son of Mr. and Mrs. Carroll Wert. The ceremony was performed by the Rev. Alfred Fennell at seven-thirty in the evening, before members of the immediate families.

The bride chose a white sheath dress, pillbox hat and short veil. With it she wore a pink rose corsage.

Her attendant was her sister, Miss Phyllis Hunter, who wore a street-length full-skirted dress of white and purple, and a corsage of yellow roses.

Mrs. Hunter was attired in yellow and brown silk, while Mrs. Wert wore a brown silk jacketed costume. Yellow rose corsages completed their attire.

Best man to the groom was Robert Meardo.

Following a reception at the home of the bridegroom's parents, the newlyweds left for a short honeymoon in western Michigan. They are now at home at the Dannenberg apartment on Ionia street.

Frederic Postmaster Attends Training School

Postmaster Letha Leng of Frederic attended a three-day Postmaster's Training School in Lansing April 5, 6 and 7, which proved to be an outstanding management training school. Smaller classes, longer class periods, the work shop method instead of lectures, all contributed to making the school worthwhile.

The training school for postmasters is part of Postmaster General John A. Gronouski's program to insure that postmasters are trained in the latest methods of management and are given an opportunity to receive answers firsthand from Regional and Departmental Post Office officials on complex problems inherent in operating an efficient post office in the 20th century.

Some of the major topics covered in three-hour sessions were, organization and internal operation, cost control and analysis, general accounting procedures, principles of management as applied to post office operations, public relations and information program.

John D. Swygert, Director Installations Management Division, Bureau of Operations, Post Office Department, Washington, D. C., spoke at the banquet held Monday evening. He laid stress on the importance of courtesy to the public and the need for handling patron complaints promptly. He concluded by urging postmasters to intensify efforts to secure patron cooperation in the use of the ZIP code.

Regional Director Donald L. Swanson, speaking at the opening session of the training school commended the four hundred postmasters attending for their efforts in helping to achieve President Johnson's and Postmaster General Gronouski's objective of increased efficiency through reduced costs without impairment of service.

CARD OF THANKS

Our thanks to all the friends in Grayling for the lovely dinner served at the Legion Hall following the funeral services. Their thoughtfulness will never be forgotten.

INVADING LAKE ICE — On Monday of last week, winds of gale force drove the ice from Lake Margrethe high on to the north-west shore of the lake. A late minute change in wind direction was the only reason that a very large amount of damage was not done. The driving force of the ice floes stopped but inches short of several cottages and cabins.
